337.01	Purpose.	337.08	Display of permit.
337.02	Type of sales regulated under this article.	337.09	Advertisements or postings.

337.04	Permits.	337.11	Parking; temporary controls.

337.06	Permit conditions.	337.99	Violations; penalty.
337.07	No employment allowed at yard sales.		

337.01 PURPOSE.

These requirements are designed to control and restrict garage and yard and other similar sales in order to protect the public health, safety and convenience and to restrict such sales to casual and/or occasional occurrences only, in keeping with the character of the neighborhood where this activity is carried on in compliance with Part 13, Planning and Zoning Code. The intent of this chapter is to eliminate perpetual, prolonged and extended garage, yard and similar sales in residential areas. Such sales, if continued indefinitely, tend to become retail businesses in residential areas and zones, create a nuisance and often violate the zoning regulations of the City. The provisions of this chapter arise from the need to limit, regulate, restrict and control garage and yard sales. It is not the intent of this chapter to change or amend Part 13, Planning and Zoning Code and/or any other ordinances of the City. The provisions of this chapter do not seek control of sales by individuals selling a few of their household or personal items. The provisions and prohibitions hereinafter contained are enacted not to prevent but to regulate garage sales for the safety and welfare of the City's citizens. (Ord. 15-2010. Passed 4-20-10.)

337.02 TYPE OF SALES REGULATED UNDER THIS ARTICLE.

Sales regulated under this article include all sales entitled or commonly known as "garage sales," "yard sale," "tag sales," "porch sales," "lawn sales," "attic sales," "basement sales," "rummage sales," "flea market sales" or any similar casual sale of tangible personal property. Such permit shall be issued by the Office of Permits, Planning & Zoning upon the filing of an application together with payment of a fee as set by resolution by the Council of the City of York.

Every permit shall be issued under the following conditions, and failure to comply with any condition shall constitute a violation of this article and shall entitle the Office of Permits, Planning & Zoning, to declare the permit revoked, without refund of any part of the permit fee to the holder:

- (a) The sale shall be held at the location or locations stated in the application and on the permit;

The earned income and net profits tax shall continue in force on a calendar year or taxpayer fiscal year basis without the need for annual enactment or re-enactment, unless the rate of the tax is subsequently changed. Section 5. Declaration and payment of tax.

A. Application.

1. Income taxes shall be applicable to taxable income earned or received based on the method of accounting used by the taxpayer in the period beginning January 1 of the current year and ending December 31 of the current year; except that taxes imposed for the first time and changes to existing tax rates shall become effective on January 1 or July 1, as specified in this Ordinance, and the tax shall continue in force on a calendar year or taxpayer fiscal year basis, without annual reenactment, unless the rate of the tax is subsequently changed.

2. For a taxpayer whose fiscal year is not a calendar year, the Tax Officer shall establish deadlines for filing, reporting and payment of taxes which provide time periods equivalent to those provided for a calendar year taxpayer.

A taxpayer shall include in the numerator any calendar month during which the taxpayer is domiciled for more than half the calendar month. A day that a taxpayer's domicile changes shall be included as a day the individual is in the new domicile and not the old domicile. If the number of days in the calendar month in which the individual lived in the old and new domiciles are equal, the calendar month shall be included in calculating the number of months in the new domicile.

C. Declaration and payment.--Except as provided in subsection (A)(2), taxpayers shall declare and pay income taxes as follows:

1. Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident Tax Officer, a final return showing the amount of taxable income received during the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of tax due on the taxable income, the amount of tax paid, the amount of tax that has been withheld under section 7 below and the balance of tax due. All amounts reported shall be rounded to the nearest whole dollar. At the time of filing the final return, the taxpayer shall pay the Tax Officer the balance of the tax due or shall make demand for refund or credit in the case of overpayment.

The first installment shall be paid at the time of filing the declaration, and the other installments shall be paid on or before June 15 of the current year, September 15 of the current year and January 15 of the succeeding year, respectively.

ii. Any taxpayer who first anticipates any net profit after April 15 of the current year, shall make and file the declaration required on or before June 15 of the current year, September 15 of the current year or December 31 of the current year, whichever date next

At the time of filing the final return, the taxpayer shall pay to the Tax Officer the balance of tax due or shall make demand for refund or credit in the case of overpayment. Any taxpayer may, in lieu of paying the fourth quarterly installment of the estimated tax, elect to make and file with the Tax Officer on or before January 31 of the succeeding year, the final return.

iv. The Department, in consultation with the Department of Revenue, shall provide by regulation for the filing of adjusted declarations of estimated net profits and for the payments of the estimated tax in cases where a taxpayer who has filed the declaration required under this subsection anticipates additional net profits not previously declared or has overestimated anticipated net profits.

Every taxpayer filing a return shall, at the time of filing the return, pay to the Tax Officer the amount of income tax due. The Department shall establish criteria under which the Tax Officer may waive the quarterly return and payment of the income tax and permit a taxpayer to file the receipt of taxable income on the taxpayer's annual return and pay the income tax due on or before April 15 of the succeeding year.
4. The TCC may, by regulation, waive the requirements for a quarterly return and payment of income tax under specified circumstances, including those instances where a taxpayer's annual taxable income is less than a specified amount.
