One member shall serve for one year, one for two years, one for three years, one for four years and one for five years commencing with the first Monday in January next succeeding the date of incorporation or amendment. If there are more than five members of the board, their terms shall be staggered in a similar manner for terms of one to five years from the first Monday in January next succeeding. Thereafter, whenever a vacancy has occurred by reason of the expiration of the term of any member, the governing body shall appoint a member of the board for a term of five years from the date of expiration of the prior term to succeed the member whose term has expired.

(d). **Successor.**--Members shall hold office until their successors have been appointed and may succeed themselves. A member may be removed for cause by the court of common pleas of the county in which the authority is located after having been provided with a copy of the charges against him for at least ten days and after having been provided a full hearing by the court. If a vacancy shall occur by reason of the death, disqualification, resignation or removal of a member, the Mayor shall nominate and City Council shall appoint a successor to fill his unexpired term.

(e). **Quorum.**--A majority of the members shall constitute a quorum of the board for the purpose of organizing and conducting the business of the authority and for all other purposes, and all action may be taken by vote of a majority of the members present. The board shall fix and determine the number of officers, agents and employees of the authority and their respective powers, duties and compensation and may appoint to such office or offices any member of the board with such powers, duties and compensation as the board may deem proper.
