NEW TO YORK BIKE NIGHT:

You may have heard people say that there's nothing like being on a Harley-Davidson® motorcycle. Now, you can find out for yourself – **even if you have no previous experience with motorcycles.** The Harley-Davidson® JUMPSTART™ Rider Experience combines a Harley-Davidson motorcycle and a specially-designed, stationary support stand.

- No knowledge or motorcycle experience necessary
- Motorcycle will not tip over

You'll mount the bike, set your boots on the foot pegs and fire up the engine under the watchful eye of trained personnel. Give the throttle a twist and hear that unforgettable Harley sound. Sitting comfortably on the bike, you'll continue to shift through the gears – all safely and securely attached to the JUMPSTART™ platform. Ready to try it out?
