1. Crafts are to be made or grown by craft vendor. No paid employees may have been used to make or grow your item(s). It is understood that to make crafts, manufactured items such as shirts, beads, earring backs, pin backs, etc. must be used. However, the final craft product must be an assembly of these items by the vendor. **No second party crafts, no imports, no manufactured items, no resale items.** If you are unclear if your entry fulfills our requirements, please email events@yorkcity.org or call 717-854-1587 to discuss your application.
