### National Women and Girls HIV/AIDS Awareness Day

**February 26, 2019 York, PA** — City of York-Bureau of Health in partnership with the Crispus Attucks Center is offering free HIV testing and counseling in honor of National Womens and Girls HIV/AIDS Awareness Day. In 2017, 38,739 people received an HIV diagnosis in the US, of which 4,008 were Black Women, 1,058 were Hispanic Women and 999 were White Women, according to the Centers for Disease Control.

Testing will be offered 9 am-12 pm and 1 pm-4 pm on Monday March 11, 2019, at the City of York-Bureau of Health located at 435 W. Philadelphia Street, York PA. All testing is confidential and free. Walk-ins are welcome! Should you desire more information, please call (717) 849-2299. Thank you!

*Your coverage is invited.*
