If you are interested in purchasing an RDA-owned property, please see our Office Coordinator and complete a RDA Activity Waiver and Release of Liability so that you can view the property. You are responsible for gaining access into the property. You are also required to secure the property upon your exit.

\*After viewing the property, if you are still interested in moving forward, you must schedule a 30 minute appointment with the RDA Specialist to discuss the application process. Once you meet with the RDA Specialist, you will be advised on the next steps in the process and what you will need for your application to be considered by the RDA Board.
