About the York County Harley-Davidson Owners Association

The organization was founded in 1980 by a small group of Harley enthusiasts and incorporated in 1986. Since that time it has grown to more than 100 members and associates, supporting area charities including Hershey Medical Center, Children's Miracle Network, and ACCESS York through charity events. YCHDOA has been a co-sponsor of **YORK BIKE NIGHT** from the beginning by helping with the planning and having their members help run the event. If you need help or have questions during Bike Night, just look for members in the red STAFF shirts; they are all volunteers trying to make **YORK BIKE NIGHT** one to remember.

Parade Grand Marshal

This year's York Bike Night Parade Grand Marshal is Steve Stambaugh.

Steve was born and raised in York graduating from York Suburban in 1981. From there Steve attended the University of Pittsburgh, where he was a member of the PITT Men's Swimming Team, graduating in 1985 with Dual Majors in Political Science and Psychology. Steve attended Law School at the University of Miami, graduating in 1988, seventh (7th) in his Law School class, which launched his career in the Law.

Steve's first job in the Law took him to San Francisco, California. After practicing in both California and Florida, Steve eventually decided to return to his hometown. After working for two different firms in York, Steve went out on his own in 2002. He purchased his current office at 2121 South Queen Street in 2003, which is the original farmhouse for the Barshinger family farm dating back to the late 1800s. A proponent of preserving our Nation's history and heritage, Steve chose to preserve and renovate the original farmhouse and, after extensive renovations Steve officially opened his current location in 2004. A few years later Steve completed the second phase of the building renovations, adding a third floor while still conducting business operations in the remainder of the building. Steve currently employs eight paralegals / legal assistants. He is a Member in Good Standing of the Pennsylvania, Florida and California Bars, active in both Pennsylvania and Florida. His personal injury practice has involved cases in not only Pennsylvania and Florida but also Maryland, Delaware, New Jersey, Virginia, North Carolina, Louisiana, New York, Illinois, Colorado, South Dakota, Montana, Wyoming, and others. Steve focuses his practice on personal injuries and wrongful death.

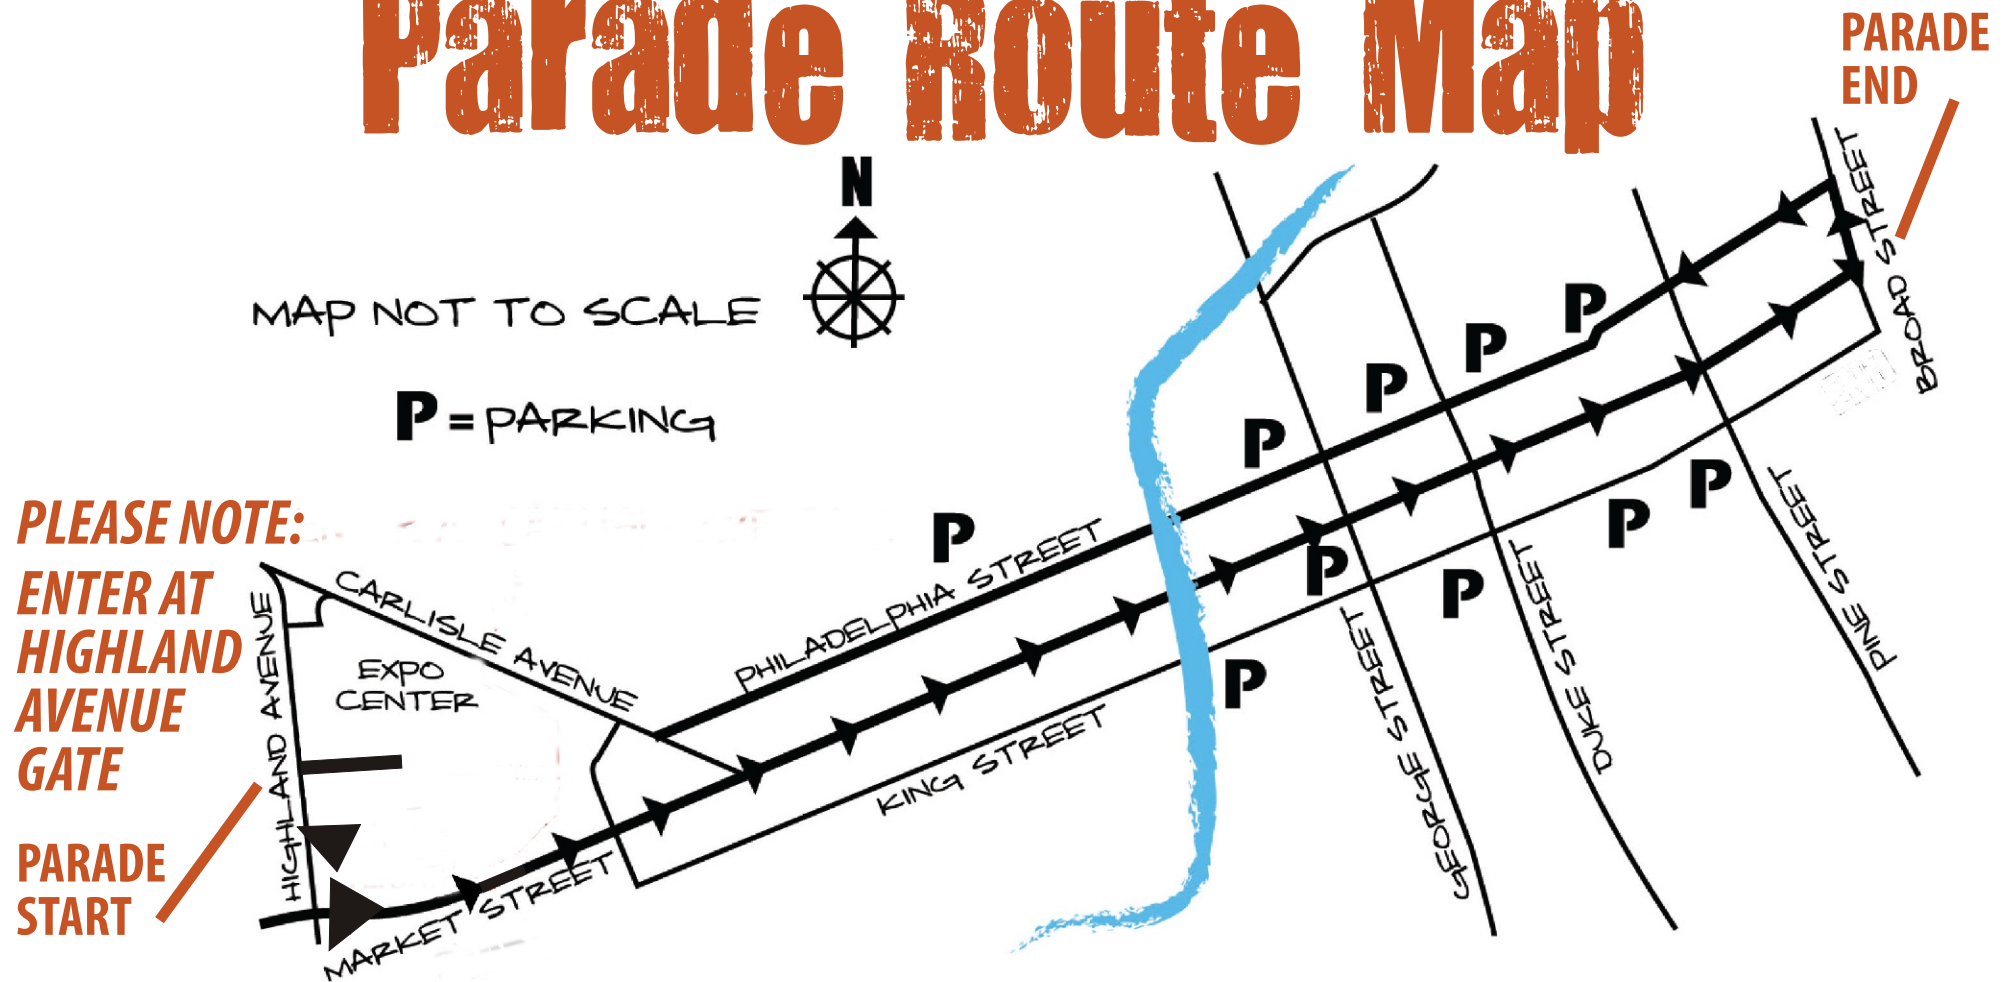

After work and family, Steve's passion is riding. He is a member of the York County Harley Davidson Owner's Association ("YCHDOA"), the NDHP Motorcycle Fraternity, CCSC and HOG's York Chapter at 1st Capital Harley Davidson. He is an ABATE Life Member and believes all Bikers should be ABATE Members. In addition Steve is a supporter of the White Rose Motorcycle Club and the York Motorcycle Club. As YCHDOA's Public Relations Director Steve helped grow the annual Toy Run to several hundred riders / participants. Steve also trademarked York's Pride & Ride, which is a now co-event with York Bike Night and York Bike Week. Pride & Ride now exists to raise money for the families of fallen local First Responders and Military Personnel. Now an empty-nester, Steve and his life companion, Louise, will start the process of knocking out the last few states Steve hasn't ridden in.

Steve is honored to accept the Grand Marshal designation *but does so only on behalf of all of his Biker Brothers and Sisters.* Bikers are a community and, without everyone working together, none of what we do would be possible.
