V. **Project Updates**

a. Northwest Triangle –

John McElligott stated the RACP extension must be discussed. As part of a public private partnership, he is suggesting a transferring of the RACP to or with OHUB.
Staff (Blanda Nace) stated there are still unanswered questions. A revision to the letter is needed. A public private partnership for Phase I is problematic especially if the land has to be used as a match. It would be ill advised to transfer RDA land to an outside entity, even a partnership. He is suggesting a Steering Committee to assist with this project’s development. A draft resolution was distributed. The Steering Committee could review adjacent developments. He is in the process of drafting a list of skillsets for possible members.

Rodney Sampson said more people around the table could be helpful. He is attending an event in New Orleans.

Bob Geolas stated he is looking forward to continuing with this project.

John McElligot stated he hopes to get people more experienced with this idea of development.

Joe Wagman had a question about the resolution. He said we already know what we want to do. The resolution seems different.

Aaron Anderson stated an RDA Steering Committee might be a better plan.

Staff (Blanda Nace) said we can try to get a bigger vision than 4 parcels. Create a HUB for an Innovation District.

John McElligott suggested perhaps a smaller group.

Aaron Anderson said the goal is not bureaucracy. Perhaps there could be sub-groups.

Rodney Sampson suggested if branding could get started that might engender questions and interest.

The Board tabled the resolution.

b. Miss Bobbi’s Place -
   Staff (Sharee McFadden) provided an update.

Discussions.

Jason Herrold stated he offered $80,017.00. He asked if there is any stipulation as to the other party staying on the property.

Staff advised that the deed requires that a start of construction within three (3) months and finishing in twelve (12) months are the only conditions.

Jason Herrold said you are leaving money on the table.

Frank Countess said that is a legitimate concern.
Steven Brown said his offer of $47,000.00 was negotiable. The property would be for his daughter. He has lived in his neighborhood since 1979.

Staff (Sharee McFadden) stated the RDA proposals are reviewed by Staff and the Project Committee. These proposals were vetted.

Jason Herrold said I can finish the renovations in 6 months and get it taxed more quickly.

Aaron Anderson stated we have to deal with what the Project Committee submitted.

Frank Countess asked if Mr. Herrold was going to rent or sell.

Jason Herrold replied it would not be a rental. The result would be a $230,000.00-$240,000.00 value as owner occupied.

Steven Brown said my price is negotiable. Frank Countess said we need bids not “negotiable” – best and final offer. Staff (Sharee McFadden) said the terms of the are not to be negotiated.

Frank Countess – No, Jason Herrold will be able to finish expeditiously.

Nikki and Ray McGettigan applied. She was born and raised in the City. Their kids are in school here. This home suits us. Ray stated he works for the City which has a residency requirement.

Staff (Sharee McFadden) stated the Committee did not request additional information.

Frank Countess asked if it could be re-bid.

Staff (Blanda Nace) discussed the Committee process. There is a history of desired criteria – with owner occupied at the top. This couple was selected. All the budgets were ok. The City employment did not come in to play at all. The income is good.

Jason Herrold stated he does quality work.

The Committee reviewed it.

Teen Vebrares stated, first – the application we saw did not have City employment on it and second the bid is always the best offer. There is no negotiating involved. His vote is – Aye.
Aaron Anderson announced the Motion passes 3-1.
