507.02 BOOT INSTALLATION.

(a) Public Property. (b) Private Property. Any motor vehicle left unattended on private property within the City may be booted under the provisions of this regulation. The decision to boot any such motor vehicle shall be made by either the property owner or upon written authorization as specified in Section 507.11. Booting of such vehicle may be done only by booting services licensed by the City as designated in Section 507.08 of this Chapter. (Ord. 32-2021. Passed 8-17-21.)

#### 507.03 NOTICE OF BOOTING.

Upon booting of such motor vehicle, the officer, employee, or booting service shall cause to be placed on the vehicle, in a conspicuous manner, notice sufficient to warn any individual that the vehicle has been immobilized, and that any attempt to move the vehicle might result in damage to the vehicle. On private property, the notice must include a copy of the booting authorization form as described in Section 507.12(a), as well as the time the vehicle was discovered to be parked illegally. The notice shall also outline the procedure for obtaining removal of the boot. If the booting is on public property, the officer or employee shall, as soon as practicable, provide the owner of the booted vehicle, at his request, with a list of the prior unsettled parking violations for which, or on account of which, such vehicle was booted. The hearing shall be held during normal business hours within one business day of the demand therefor. The post-immobilization hearing shall not be determinative of or adjudicate the merits of any citation issued relative to any immobilized vehicle but shall be limited solely to whether the vehicle was properly subject to booting under the provisions of this article.
