

CREATE WITH US @ ART IN THE PARKS!

Free art activities for children ages 3 to 12

Monday – Friday • 6:30 – 7:30pm

No registration necessary. Just show up and create!

For over 25 years Creative York has offered one of our most popular summer events for kids: Art in the Parks. During the months of June and July, our volunteers bring this award-winning program to life as they travel from park to park offering York City children a creative outlet and an opportunity to build social skills and confidence through a variety of guided art activities. Neighborhood children can attend at any time throughout the week without having to register; they “just show up and create!”

Presented in conjunction with the City of York and York City Parks & Recreation
