1. The committee and Commissioner Seaton planned and hosted along CYHRC Fair Housing Clinic on Monday April 25. The Clinic was well attended by community members, agencies, public officials, and the media. At one point more than 50 people were in attendance. The clinic was aired live on Facebook. As of today, the 479 views have been recorded. The link is attached; Please share with your connections. <https://fb.watch/cYXxUyLPXd/> Individuals and agencies who spoke have been thanked for their participation. Several agencies requested that the CYHRC continue this event yearly.
2. Several Commissioners are scheduled to end their terms in July of 2022. The commissioners have been contacted regarding their desire to remain on the CYHRC. I will not identify their decisions since some are considering their final decisions. I would request that current commissioners consider potential nominees and forward to the Nominating Committee.
