

POST YOUR PURPLE FOR RECOVERY

SEPTEMBER IS RECOVERY MONTH Purple Light Campaign September 1st-30th

The York Partnership for Recovery is participating in Recovery Month in collaboration with the City of York, human service providers, and businesses throughout September. The purpose of this campaign is to raise awareness about and celebrate the successes of our recovery community in York, but more importantly to spark necessary conversations around fighting the stigma that can hinder prevention, treatment, and recovery services.

You can help us shine a light on recovery by simply changing your lights purple!

What can you do:

"Post Your Purple" by sharing a picture of your establishment/church/home/school with its purple light(s) on social media using the hashtags #Recovery4York and #PostYourPurple.

Other ways to support:

- ◆ Interact with our posts online or create a post of your own
- ◆ Decorate establishments with purple banners/flags/balloons/etc.
 - ◆ Attend one of our many local events

Where can I get purple?

To purchase lights on your own, refer to the QR code below for a list of light bulbs, string lights, flood lights, filters, and more. You can also go to the City of York's [Recovery Month Page](#) to download window signs to display all month long.

Thank you in advance for your participation,

Alexa Russell
