The City of York is in the process of developing Master Plans for Farquhar Park, Kiwanis Lake, Noonan Park, and Bantz Park. The Master Plans will provide a blueprint for future improvements to the existing and potential new park facilities.

You are invited to join us at either open house any time between 5:30-7:00. This is an opportunity for residents to share their ideas for the parks and interact with the design team. Your thoughts and ideas are important to help establish priorities for future park site enhancements.

Please mark your calendar and plan to attend.
